announces the
Urgent Repair Program 2014

What is the Urgent Repair Program? The LHCDC has been awarded \$100,000 by the North Carolina Housing Finance Agency, a state agency, under the 2014 cycle of the Urgent Repair Program (URP14). These funds provided by NCHFA come from the North Carolina Housing Trust Fund. This program provides funds to assist low income homeowners by correcting housing conditions that are threats to life and/or safety such as roof replacements, bath floor repair, electrical and plumbing repairs. These funds can also provide accessibility modifications for handicap individuals to assist with mobility around the home. An eligible recipient can receive up to \$8,000 worth of repairs free and at no cost to the homeowner.
